Vessel type	34' Ocean Cat power cat	Name	Ocean Cat	Price	Refer website				
Location	SE Queensland	Reg	QLD	Year	2004				
Designer	Roger Hill	Builder	Ocean Cat Marine						
Hull	5083 marine grade aluminium								
Deck	5083 marine grade aluminium, teak lined cockpit								
LOA	10.4m	LOD		Beam	4.2m	Draft	1.0m	Disp.	8500kg

**General Comments**

A near new Roger Hill designed flybridge power cat in absolutely bristol condition, featuring 3 double cabins, galley up design – all finished to a standard found only in the very best custom motor yachts. Built to 2C survey, the hull construction, joinerwork, stainless, and fairing / paint on this vessel defy belief! So well finished is the external finish that you'll be convinced she was moulded – yet she's underpinned by an enormously strong and safe alloy hull.

With twin Yanmar diesels you can be assured of 20+ knots top speed, with comfortable cruising at 15-16 knots at around 2600 rpm

Now offered for sale at a fraction of her construction cost, this truly unique vessel will satisfy the desires of the most fastidious buyer – we challenge you to find a flaw anywhere in the boat! The custom polished stainless work would delight a jeweler, and the joinery is totally exquisite.

**Machinery**

Port engine details	Yanmar 240hp shaft drive diesel
Port gearbox details	Twin Disc V-drive transmission
Port engine hours	260 approx
Sbd engine details	Yanmar 240hp shaft drive diesel
Sbd gearbox details	Twin Disc V-drive transmission
Sbd engine hours	260 approx

<b>Equipment</b>					
Dinghy	Naiad RIB in custom Weaver snap davits				
Outboard	5hp Yamaha				
Covers	Eyebrow cover over cockpit				
Bimini / awning	Full clears to flybridge				
Other					
<b>Summary</b>					
<p>Once in a while we are asked to list a vessel so special and so well presented that the superlatives just keep on coming! Constructed without regard to expense the Ocean Cat 34 is one of those boats. The custom stainless work alone is a work of art, and testament to the thousands of hours and many hundreds of thousands of dollars spent creating what is probably the best vessel of her kind to be found anywhere.</p> <p>With bullet-proof alloy hull construction, incredible fairing and finish, and 3 cabin accommodation – this is one stunning vessel. And loaded with really expensive kit such as Floscan fuel monitoring systems, Tecma electric WC, corian benchtops and leather upholstery – this will knock your socks off.</p> <p>Owner's plans have changed and a much bigger boat beckons, so here's your chance to scoop a totally unique and very, very special luxury power cat at a very realistic price.</p> <p>Proudly offered for exclusive sale by Central Yacht Sales – Iying Manly, QLD. Call Matthew Holliday on 0408 005 309 for your inspection.</p>
