General Comments
 Based on a classic William Garden design, many hundreds of these gorgeous, seaworthy cruising yachts have logged thousands of ocean miles around the world. Carlotta is no exception. Ideal for extended blue water voyaging, and very comfortable as a long-term liveaboard cruiser, her wonderful lines and traditional styling will turn heads everywhere.
 Current owner has spent a small fortune upgrading her with all new engine and drive train, as well as fully refurbished decks.
 Must be seen to be appreciated!
