General Comments	<p>A rare steel gem, this delightful cruising yacht is both sturdy and pretty, and has been very well cared for by her current owner. Boasting new sails, rig, furler, engine mounts, and sandblasted and repainted in 2009, she's genuinely ready for cruising. Loads of new quality gear, and great headroom below. Even a pot belly stove to keep out the winter chill!</p> <p>Owner has committed to a larger yacht, so this beauty must be sold – priced accordingly.</p>
