General Comments	Rare as hen's teeth this shoal-draft, one owner, Australian delivered Jeanneau 32 is very special – and in sensational condition. Offering two separate cabins with double berths, roomy interior, sea-going galley and spacious cockpit, she's ideally suited for cruising Queensland's 'thin' waters. Bilge keel design with twin keels and lift centerboard she draws just 0.86m board up, and can take the ground on her twin keels. Wow – we're amazed there aren't more boats around like this!
