The easily driven, long waterline hull form with its high resistance to heel and leeway ensures the power to carry sail in a stiff breeze, easily handled by a small crew.</p> <p>Here's an almost unheard of opportunity in Australia to acquire one of these bullet-proof yachts, and this one is stuffed to the gunwhales full of every bit of kit you might need. 'Remedy' comes with ALL the fruit, and is ready to sail off anywhere in the world in safety, comfort and style.</p>
