Hull	5mm steel				
Deck	3mm steel				
LOA	14m	LOD	13m	Beam	3.6m
		Draft	1.6m	Disp.	14 tonnes
General Comments	<p>Bulletproof, practical and seaworthy – and with a wonderfully spacious interior – here is a proven, world-girdling yacht in superb condition. Not a skerrick of rust, anywhere!</p> <p>Having been around the globe more than twice, you can be sure she's built to take whatever the elements throw at her, and with recent extensive refurbishment she's very well presented. One for the most demanding steel boat sailor.</p>

<b>Summary</b>					
<p>Strongly built, well presented and hugely capable blue-water cruising yacht.  Very spacious interior in great condition, and not a speck of rust to be seen anywhere!</p> <p>With a unique deck layout with twin cockpits and solid steel dodger, SAGITTA was built with safety, practicality and endurance in mind. You can be confident that she will shrug off anything the sea can throw at her.</p> <p>Spacious aft cabin with super-comfy island double bed makes this an ideal short-handed long-range liveaboard cruising yacht at a very reasonable price.</p> <p>And having sailed around the world 2 ½ times, she's been there: done that: come back in style and safety.</p> <p>Contact Matthew Holliday on 0408 005 309 for your EXCLUSIVE inspection.</p>
